by **BREASLEY**

Official Mattress and Pillow Supplier

Luxury. Made for You.

Truly luxurious sleep is personal. Salus combines premium materials, responsive support and a choice of comfort levels to help you find the mattress made for the way you sleep.

Luxury Perfected

Sumptuous cushioning and indulgent materials create a deeper feeling of comfort, night after night.

Premium by Design

High-quality materials and expert craftsmanship deliver lasting comfort you can feel.

Cooler Nights

Temperature-regulating materials and breathable layers help you stay cooler and sleep more comfortably.

Your Perfect Feel

Choose from medium, medium-soft or soft/plush comfort to find your ideal mattress.

Tailored Support

Responsive layers adapt to your body for personalised pressure relief and support.

More Peaceful Sleep

Movement-absorbing layers help reduce partner disturbance for a calmer, more restful night.

MONTEVERDE 8,000

MONTEVERDE 8,000

Official Mattress and Pillow Supplier

Luxury Mattress

Salus Wellbeing Luxury Wool Cover: Our Salus Wellbeing Luxury Wool Cover is crafted using premium, high-quality wool to provide you with a durable, temperature-regulating soft fabric. We've enhanced the level of comfort by adding a generously quilted luxury layer within the cover, helping you to unwind, relax, and restore.

Salus Gelflex® Layer: A Top Layer uniquely designed to aid spine alignment whilst hugging your body for optimal support. The material in Gelflex® also draws heat away from your body to help keep you cooler for longer.

Salus Wellbeing Response Layer: A responsive layer that adapts to your body's movements throughout the night, providing a consistently high level of support and comfort. The hypoallergenic and air-enhancing qualities of this layer help create a clean sleeping zone, aiding temperature regulation and helping you wake up feeling refreshed.

Salus 6,000 HD Mini Spring System: A double layer of individually wrapped HD Mini Springs actively enhance the level of comfort by working individually to adapt to your body's pressure points, leaving you to relax and dream the night away.

Salus Grand Plush 2,000 Spring System: Individually wrapped for responsive comfort, the Salus Grand Plush 2,000 Spring System provides a luxurious core of adaptable support. Designed to encourage airflow through the heart of the mattress, it helps create a fresher, more comfortable sleep environment while preserving the bed's luxuriously plush feel.

Salus Protect Border: A sturdy border that not only protects the core of the mattress but also provides you with edge support.

Salus Wellbase Support: Our Wellbase Support Layer forms the foundation that provides the strength and support needed for a luxurious night's sleep.

Luxury Removable Pillow Top

Salus Wellbeing Luxury Pillow Top: Our Salus Luxury Pillow Top has been crafted to bring you an unparalleled level of plush comfort with a generously quilted layer of premium, high-quality wool, helping you to unwind, relax, and restore. Our removable luxurious Pillow Top also features our unique Salus-branded button system and a secure no-slip base to ensure stability and comfort as you sleep.

Salus Gelflex® Layer: This unique layer is designed to aid spine alignment whilst hugging your body for optimal support. The material in Gelflex also draws heat away from your body to help keep you cooler for longer.

Salus 2,000 HD Mini Spring System: The 2,000 HD Mini Spring System adds a dynamic level of support into the topper that provides a responsive feel with added comfort.

Salus Mini Protect Border: A Mini Border that provides an additional layer of structural protection to the topper while also enhancing your support and comfort.

Salus Gelflex® Comfort Layer: We've further enhanced the feeling of luxury and opulence for you by adding an additional comfort layer. This layer elevates your sleep wellbeing by providing you with exceptional levels of comfort.

Luxury Mattress

Salus Wellbeing Luxury Wool Cover: Our Salus Wellbeing Luxury Wool Cover is crafted using premium, high-quality wool to provide you with a durable, temperature-regulating soft fabric. We've enhanced the level of comfort by adding a generously quilted luxury layer within the cover, helping you to unwind, relax, and restore.

Salus Wellbeing Motion Layer: A pressure relieving layer that helps cradle your body as you sleep and absorbs movement so you can enjoy the restful sleep you desire.

Salus PlushFlex Layer: A luxurious layer of Salus PlushFlex takes comfort to another level by conforming to the shape of your body, enhancing the feeling of body-hugging comfort.

Salus Wellbeing Response Layer: A responsive layer that adapts to your body's movement throughout the night, providing consistently high levels of support and comfort. The hypoallergenic and air-enhancing qualities of this layer help create a clean sleeping zone, aiding temperature regulation, meaning you awaken feeling refreshed and energised for the day ahead.

Salus 6,000 HD Mini Spring System: A double layer of individually wrapped HD Mini Springs actively enhance the level of comfort by working individually to adapt to your body's pressure points, leaving you to relax and dream the night away.

Salus Protect Border: A sturdy border that not only protects the core of the mattress but also provides you with edge support.

Salus Wellbeing Balance Layer: A responsive layer engineered to provide a balanced blend of contouring comfort and subtle support. Positioned at the core, it gently adapts to your body's shape while ensuring seamless weight distribution and enhanced motion isolation.

Salus 2,000 HD Mini Spring System: An additional layer of Salus 2,000 HD Mini Springs adds extra cushioning and responsive support, creating a deeper, more luxurious feeling of comfort.

Salus Protect Border: A sturdy border that not only protects the core of the mattress but also provides you with edge support.

Salus Wellbase Support: Our Wellbase Support Layer forms the foundation that provides the strength and support needed for a luxurious night's sleep.
